

St. Vincent de Paul of Marshfield

A thrift store retail employer, St. Vincent de Paul is one of the newest additions to NorthCentral FSET's 9-county network of Employer Partners. When hiring, they offer full time positions with benefits, working in a community-service minded establishment for the Marshfield, WI community and surrounding area.

The Society of St. Vincent de Paul is a world-wide organization founded in Paris, France in 1833 by Frederic Ozanam for the purpose of serving the needy with food, clothing, housing and guidance.

Not only is St. Vincent de Paul a thrift store that offers a large variety of goods, including clothing, furniture, toys, bedding, household items, sport equipment, and an AMAZING and organized selection of books and movies, they also provide a community outreach center.

Their outreach center provides a food pantry, USDA food program, a FREE medical clinic, and other services. You can find more details here: <https://www.stvincentdepaulmarshfield.com/outreach-services>

If interested in patronizing the store, they are open Monday through Saturday, and closed Sundays. They are a donations-based store, and donations are accepted Tuesday through Saturday (no donations accepted on Monday and Sunday). You can find their shopping and donations hours on their website, here: <https://www.stvincentdepaulmarshfield.com/>

St. Vincent de Paul relies on donations to support their programs which help our neighbors in need. To that end, the store serve two major functions related to their mission of offering help to neighbors in need.

The store provides much of the revenue that funds the programs providing assistance to thousands of local households struggling with poverty. The store also offers direct charity to people in need by giving away, through a voucher system, donated goods directly from store inventory. In the process, the store also provides a reasonably priced place for people of all income levels to shop and find their next treasure or needed item(s).
