

For more than 60 years, Wausau Window & Wall Systems has worked closely with architects, building owners, and contractors to help them realize their vision by manufacturing custom-engineered, high-performance window and curtainwall systems for commercial and institutional buildings. Wausau Window & Wall Systems has contributed to the development and design of a variety of structures all over the United States, including high-rise hotels and condominiums, government and university buildings, and sports venues such as NRG Stadium in Houston, Texas and Mile High Stadium in Denver, Colorado. They have a strong local presence and have completed projects for Aspirus Hospital, Central Wisconsin Airport, and Horace Mann Middle School.

They are also known for being a wonderful place to work! Wausau Window & Wall Systems' manufacturing center is LEED Silver Certified, its meaning this state-of-the-art work environment is not only extremely clean, well-lit, and has high-quality ventilation systems, but they are also environmentally friendly when it comes to their energy and resource consumption.

Wausau Window & Wall Systems is currently hiring for a variety of positions for their Wausau and Stratford locations on 1<sup>st</sup> and 2<sup>nd</sup> shifts. These positions include window and wall assembly, fabrication, CNC machine operating, and shipping and receiving. These positions are fast-paced and require using a variety of hand and power tools. Every project is custom and made-to-order, so having strong organizational, time management, and adaptability skills are important for success in these positions.

Wages for these positions start at \$19.00/hour with an additional \$2.00 shift premium for 2<sup>nd</sup> shift. Additionally, Wausau Window & Wall Systems offers a highly competitive benefits package, including medical, dental, and vision insurance, 401k with a generous company contribution, over five weeks of paid time off in an employee's first year, and tuition reimbursement. Employee bonuses, safety meals, and other incentives can also be earned throughout the year.
